## **Diversified Industrial Products**

Material Solutions ...Metals...Plastics...Fabricated Components

- ISO 9002 Certified
- Small, Woman-owned Business
- Leaders in Quality and Service

# Diversified Industrial Products...

- Has been meeting the raw material needs of our customers in the **Aerospace, Defense, and Commercial industrial sectors** for over 25 years.
- Our dedication to service excellence and attention to quality control has established Diversified as a leading supplier of metals, plastics, and fabricated components to many of the world's leading industrial companies.
- Our staff of trained sales and quality assurance professionals have the experience to provide you with the fastest and most cost-effective solutions for your unique material requirements.

**Our Mission: To create value for our customers by providing the most cost-effective material solutions from the industry's most reliable, quality driven source.**

## **Cost Solutions:**

- No minimums
- Pricing offered with or without freight included
- Volume discounts
- Ask about our inventory specials of the week!!

## **Service Solutions:**

- "Just-in-time" delivery programs available
- Same day shipment provided on many items
- Short mill lead times on custom runs
- Next day, 2nd day, and Economy freight options available

# PRODUCTS & SERVICES

Metals: Stocked in Sheet – Plate – Bar – Tube – Strip – Foil – Extrusions – Forgings – Wire

## Aluminium

- 1100
- 2014
- 2017
- 2024
- 2219
- 3003
- Most alloys provided in a variety of tempers and heat-treated conditions
- 5052
- 5083
- 5086
- 6061
- 6063
- 6162
- 7050
- 7075
- 7178
- Brazing Alloys 4032 & 4047
- Laminated Shimms
- Aluminum Honeycomb

## Titanium

- 3AL-2.5 SN
- 5AL-2.5 SN
- 6AL-4V
- For other alloys please inquire
- 6AL-4V ELI
- 6AL-6V-2 SN
- 6AL-2 SN-4ZR-2MO
- Commercially Pure, Grades 1 - 5

## Stainless Steel

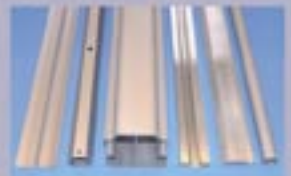

- 301 Ann
- 301 1/4 Hard
- 301 1/2 Hard
- 302
- 302 Cond. B
- 304
- 310
- 316
- 321
- 330
- 347
- 409
- 410
- 416
- 430
- 440C
- 440F SE
- 21-6-9
- 17-4 PH
- 17-4 Cond. H1150
- 17-7 PH
- 17-7 PH Cond. C
- 15-5 PH
- 15-7 PH
- 13-8 MO
- 21-6-9
- Custom 450

## High Temp & Nickel Alloys

- A-286 All tempers
- Nickel 200/201
- Inconel 600
- Inconel 625
- Inconel 702
- Inconel 718
- Inconel X750
- Monel 400
- Monel K500
- L605
- Rene 41
- AM350/355
- Haynes 188
- Hastelloy X
- Hastelloy C
- C-276
- Maraging 250
- Maraging 300
- Waspaloy
- Greek Alloy
- Ni-Fa 4750
- MP35N
- Invar
- Kovar
- H Perm 49

## Carbon & Aircraft Alloy Steel

- HR Sheet
- CR Sheet
- CR Drawing Quality
- 1008-1010 Certified
- 1018 CR Rod & Bar
- 1020 HR Sheet & Plate
- 1045
- 1214/12L14
- 1215/12L15
- 4130 AQ/CG
- 4140 AQ/CG
- 4340 AQ/CG
- 4335 Mod
- 4620
- 6150
- 8617
- 8620
- 9310
- H-11L
- Hy Tuf
- 17-22
- D5AC
- 9-4-30
- Nitriding

Material Solutions - Metals, Plastics, Fabricated Components

# PRODUCTS & SERVICES

Metals: Stocked in Sheet – Plate – Bar – Tube – Strip – Foil – Extrusions – Forgings – Wire

## Brass & Copper

- OFHC Copper: CA 101/102
- Copper: CA 103, 110, 120, 122,150, 180, 182
- Tellurium Copper: CA 145
- Copper Alloys: CA 613, 614, 619, 623, 624, 630, 632, 642, 954, 958
- Brass: CA 230, 260, 353, 360, 370
- Naval Brass: CA 464, 485
- Commercial Bronze: CA 220, 314
- Phosphor Bronze: CA 510, 524, 544
- Silicon Bronze: CA 651, 655
- Bearing Bronze: CA 932
- Manganese Bronze: CA 670, 675
- Nickel Silver: CA 752, 770, 798
- Copper Nickel: CA 706, 715
- Aluminum Bronze: AL 630, 642
- Ampco Alloys: 8, 15, 18, 21W, 22W, 25, 45, 67, 405, 483, 910, 940, 972, M-4
- Beryllium Copper: CA 170, 172, 173, 175
- Brush Alloys: 9, 10, 25, M25, 165, 190, 290

Tantalum, Tungsten, Molybdenum. All Grades. All Forms. Please Inquire.

## Plastics

- ABS
- Acetal/Delrin
- Acrylic (Plexiglass)
- Adhesives
- Nylon
- Phenolics (Micarta)
- Polycarbonate (Lexan)
- Sintra
- Teflon
- Torlon
- Tygon
- Vespel
- Vivak
- UHMW

## Fabricated Components

- Cast/Molded Prototypes
- Castings
- Extruded Metal
- Extruded Plastic
- Fasteners
- Forgings
- Formed Metal (Rolling/Spinning)
- Gears
- Heat Treating
- Heavy Gauge / Structural Fabrications
- Inspection Services
- Mechanical Assembly Services
- Metal/Plastic Finishing Services
- Metal/Plastic Machining Services
- Molded Plastic Parts
- Powdered Metal
- Sheet Metal Parts
- Springs
- Stampings
- Testing services
- Thermoformed Parts
- Tool & Die

## Value-Added Processing

- Boring
- Contour Sawing of Circles and Rings
- Cut-to-length
- Deburring
- Gun Drilling
- Honing
- Plasma Cutting
- Precision Sawing
- Shearing
- Slitting
- Tube Bending & Cutting
- Waterjet Cutting

## Core Markets Served

- Aerospace
- Defense
- Electronics
- Automotive
- Chemical Processing
- Communications
- Workholding
- Construction
- Marine/Shipbuilding
- Medical/Pharmaceutical
- Metal & Tank Fabrication
- Pumps & Valves
- Tool & Die

## Some of Our Distinguished Customers

- BAE Systems
- Boeing
- General Dynamics
- Hewlett Packard
- Honeywell
- ITT
- Illinois Tool Works (ITW)
- L3 Communications
- Lockheed Martin
- Northrop Grumman
- Parker Hannifin
- Pratt & Whitney
- Raytheon
- Rolls Royce
- Sundstrand
- Teletex
- Textron
- United Technologies

## Our Total Quality Commitment

At Diversified Industrial Products, "quality" is not just a word; it is a philosophy. All of our professionals are keenly aware of the mission-critical nature of the raw material products we supply to our clients. That is why we have implemented stringent quality control protocol certified to ISO 9002 and Mil-I-45208 standards. All of the material you receive from a Diversified facility will be packaged securely and will arrive with full mill traceability (at no charge) that is retained on file for a minimum of 7 years. Our Q.C. professionals continually benchmark our internal quality performance along with those of our approved suppliers. Only 100% conformance to shipments that arrive on time and according to specification will be deemed acceptable.
